Whirlpool Home Appliances

ESTATE® HOME APPLIANCES

As your partner in business, it's our goal to make your job easier. Our wide range of Targeted Services have been created to support you, help you take care of your customers throughout the building process, and free you from appliance issues so you can focus on building and managing homes. From answers to product questions to delivery and installation, we offer the most complete range of services in the appliance industry.

Nearly 600 ENERGY STAR® qualified, consumer-focused appliances. All from one company.

Insideadvantage.com

Designed for building and property manager professionals, this web site is a "one-stop shop" to help keep you up to date.

From vital product specifications to accessory options, our Product Assistance representatives can help. Call us and we can also help you select ENERGY STAR® qualified and water-efficient appliances that fit your needs. Whether one-on-one or over the phone, we're working together with building and property manager professionals to make a sustainable difference. Simply call 1-800-253-3977.

100% Satisfaction

Our Whirlpool Corporation Trade Customer Team consists of highly trained representatives available to help you with information regarding our appliances, parts and service. Property managers can call our dedicated line at 1-800-952-2537, option #5.

Quality Express® Delivery Service

Whirlpool Corporation's reputation for unparalleled service is carried through to on-time delivery and proper installation with our nationally recognized Quality Express® Delivery Service.

A&E Factory Service

If and when service is necessary, we offer excellent authorized factory service. Through our Contract Service Initiative, we've combined the efforts of our Quality Express® Delivery and our A&E Factory Service to assure an even more positive customer experience. 1-800-442-1111.

Regional Distribution Center

Ten Regional Distribution Centers (RDCs) throughout the United States range in size from 410,000 to 1.7 million square feet to house acres upon acres of Whirlpool® Home Appliance inventory. Each one serves as the regional hub for Local Distribution Centers (LDCs) in the area. Staffed by a General Manager, Warehouse Manager, Fleet Manager, Safety Manager, Customer Service Representative and Warehouse Personnel and Line Haul Truck Drivers, every RDC organization is designed for efficient and timely order management.

Manufacturing

Whirlpool Corporation owns and operates ten manufacturing sites across the country to ensure a full line of superior home appliances. Each facility is dedicated to exemplary quality control to meet the high standards you expect when you purchase a Whirlpool® brand product.

Partner with Whirlpool Corporation, to deliver the #1 name in home appliances from the world's leading appliance manufacturer!

Easy Installation

Ease of installation is critical whether you are installing the units yourself or paying for a service. Whirlpool® home appliances simplify the task!

Whirlpool® Dishwashers

Manufacturer's exclusive rear rollers with capped feet – easy movement during installation – prevent scratching floors or snagging carpets.

Whirlpool® Ranges

Front and rear leveling legs – easy height adjustment for a level cooking surface.

Whirlpool® Refrigerators

Adjustable rubber rollers with adjustable leveling legs allow for easy movement and leveling of the unit.

Whirlpool® Washers

Rip-cord installation with self-leveling rear legs – no need to unfasten bolts or remove pallets!

We're with you every step of the way.
